2008 A Big Year for Sandy Land Stables' Horses

by Yvette Kirk

If anyone has had a chance to look at the March edition of the American Quarter Horse Journal, page 233 proves that 2008 was another great year for horses raised at Sandy Land Stables and owner Barry Foote of Brandon MB.

Too Good To Sleep (aka Kudos), a filly sired by Too Sleepy To Zip was born at Sandy Land Stables in 2006. Jan Wilson of Tonasket, WA, purchased this filly as a late yearling and started her 2008 show season off by winning the 2 year-old Western Pleasure at the Oregon Summer Circuit. Her next show was the Canadian National Quarter Horse Show winning first under each of the 4 judges in the 2 year-old futurity. The next stop for this talented pair was Langley BC, where they again won the 2 year-old Open and Non Pro Challenge. Their last stop for 2008 was Monroe WA where Jan and Kudos were 4th in the Emerald Futurity.

With almost \$5,000 winnings in futurity money, 2 saddles, 2 NSBA Bronzes and a winner's jacket all earned

in just four shows, this pair had a great season. Jan is no stranger to the show ring as she has twice been Reserve World Champion and has finished top 10 in the Nation. Jan has her mare well on her way in Western Riding and is looking for another exciting year in 2009.

Too Good To Sleep started her show career as a yearling with a Reserve Longe Line Championship at the Canadian National Quarter Horse Show and won the Emerald Futurity NSBA Championship Longe Line in Monroe, WA. This filly comes by her ability honestly. Her sire, Too Sleepy To Zip, is an NSBA World Champion in Western Pleasure as well as Congress and World Show top ten with points in Halter, Western Pleasure and Hunter Under Saddle. The dam of Too Good To Sleep is Im Poppin Good, a daughter of the famous Zippos Mr Good Bar. To date this talented horse has earned in excess of \$6,300 in her short show career.

Not to be outdone, 2008 was a fruitful year for Sandy Land's 2002 stallion Only Invitational (aka Dino) sired by Invitation Only. Dino has raked in many awards internationally.

Only Invitational was shown to a 9/10th place finish tie at the Tom Powers 2004 Futurity in the 2 year-old Western Pleasure by Gil Galyean, followed by a 4th place finish at the Reichert Celebration NSBA in 2 year-old Western Pleasure. John Berry then rode him to an 11th place finish in 2 two year-old Western Pleasure at the AQHA World Show in 2004. It was there that present owner, Monika von der Osten-Sacken of Germany, fell in love with the brown stallion and knew she had to own him. Dino has since been shown extensively in Germany where he resides, trained and ridden by Sylvia Jäckle.

Dino is presently the AQHA European Champion in Open Performance Halter, Amateur Stallions Three and Over and Open Junior Western Pleasure. As well as attaining prestige in Europe, Dino has amassed several other AQHA placings, including 1st place in Halter Open Division and 3rd place Performance Halter and qualified for the 2008 World Show in Performance Halter. He was recently named the leading Halter stallion in Open Division with 20 points to his credit.

Too Good To Sleep (Kudos) owned and ridden by Jan Wilson - winning 1st place in NSBA 2 year-old Non Pro Western Pleasure under all 4 judges at the Oregon Summer Classic, Medford, Oregon.

His show record continues to grow and he now has a total of 80 AQHA performance points to his credit, including Performance ROM, as well as several NSBA awards and trophies. The wins keep rolling in! When Dino is not being shown he stands at Bombeck Quarter Horses in Billerbeck, Germany, proving to be a much sought after sire.

These two great horses are an example of horses being raised at Sandy Land Stables. In the breeding business, proven sires are available to be used but the hardest part of the equation is finding quality mares. The mares at Sandy Land Stables are proving to be the right kind, with daughters by the #1 stallion in the World, Invitation Only and by the #2 stud in the World, Zippos Mr Good Bar. The dam of Only Invitational is a three time Canadian Super Horse with points in seven events, \$6,000 of Incentive money won and 2 ROMs. Dynamically Designed, sired by Dynamic Deluxe, has four daughters that will keep her legacy going on for years to come. ☺
